Wettenberg, October 23, 2018

Framework contract for the delivery of crystal growing systems

PVA Crystal Growing Systems GmbH, Wettenberg, Germany, a subsidiary of PVA TePla AG, has entered into a long-term framework agreement with an Asian customer for the delivery of crystal growing equipment for 300 mm wafers.

The systems are to be delivered in four tranches. The delivery of the first tranche - worth around EUR 28 million - will start in May 2020. The overall project is expected to be completed in 2023.
