Adhoc Release

Wettenberg, 27 February 2023

Preliminary figures for fiscal year 2022: PVA TePla significantly exceeds sales and earnings forecast

PVA TePla AG (ISIN DE0007461006), Wettenberg, Germany, increased its consolidated sales revenue by 32% to EUR 205 million in the past fiscal year 2022, thus significantly exceeding the forecast (EUR 170 - 180 million).

At around EUR 30 million (+30% year-on-year), the company's consolidated operating result before taxes, depreciation and amortization (EBITDA) was also significantly above the forecast corridor of EUR 25 - 27 million.

Note: PVA TePla will provide information on the final figures for fiscal year 2022 on 23 March 2023, when the consolidated financial statements are published and at the annual press and analysts' conference.
